EXPERIENCED AND INNOVATIVE

- Worldwide logistics network
- Full origin and destination service
- Project cargo / chartering / cross trades
- Port agency / customs handling

Worldwide at Your Service

Sound logistics is a pre-requisite for your business

For acquisition, production or distribution you require a functioning supply chain. We deliver your cargo to destination, using the highest possible quality standards, from order placement to customs clearance and delivery.

Rosebrock is your partner for the worldwide import or export of cargo. As a freight forwarder with a long standing tradition, we combine logistics management with profound know-how in all aspects of worldwide transportation.

We are also your specialists for air- and ocean freight and will reduce high transportation costs even before your cargo moves.

Contact us and together we will find the best possible logistics solution for your cargo!

Stefan Heine - director general cargo

Air- and Ocean Freight services for the global cargo import and export

With our worldwide network of competent partners we are in the position to react with flexibility as required.

Air Freight:

Our excellent relationships with the major airlines enable us to offer part- or full charter service as your competent partner.

Ocean Freight:

Through our direct connection to the largest German ports of Bremen, Bremerhaven, Hamburg and Wilhelmshaven, as neutral port agents we can offer economical and comprehensive service.

You can book the following with us:

- Combined transports (sea / air traffic via DBX)
- Door to door deliveries
- Cross trade
- European roadfreight
- Railway services (to / from China)
- Express and courier services
- Warehousing and distribution
- Container consolidation service
- Break bulk handling
- RoRo shipping
- Projects / OOG

Comprehensive logistic consulting and full package solutions

Differing import and export regulations and changing customs legislations need to be considered to meet the agreed schedule, making in-depth knowledge of each country's specific requirements extremely important.

We inform you regarding the specific import regulations, take care of required documents and organize the clearance of your imported and exported goods.

Place your transportation logistics in our experienced hands. Our friendly, competent and highly qualified staff is at your disposal for all and any questions you may have concerning international logistics.

We take care of the following for you:

- Comprehensive logistics counseling
- Order management
- Tracking
- IT-support
- Cargo insurance
- Warehouse logistics, stock inventory and distribution
